

Please complete at least 5 of these activities. Bring your work in weekly to share with your teacher/ class.

Home Learning Year 1

Imagine you are an explorer sailing a boat, like Christopher Columbus. You land on an island and discover a new country. Draw a picture of the island then add labels.

Design and make your own 3D model of a rocket.

We will need to see a design sheet with labels for your rocket. You can take a photo and stick it in your Home Learning Journal for us to see.

Go on a family adventure and explore a new outdoor place. You may draw a picture, take a photograph or write a report about where you went, what you saw, what you found and what you experienced.

You are an explorer on a boat. Draw a flag which must include 4 different 2D shapes. Under your flag list the shapes you have chosen - try to spell them correctly!

What's it like to be an explorer? Home Learning

You are going on a journey into Space or around the world. What would you pack in your suitcase? Remember to include adjectives e.g blue jumper.

Find a story where the characters go on an adventure, go exploring or go on a journey.

Write a question you would like to ask the main character. Remember to include a question mark.

Imagine you are an astronaut like Neil Armstrong, going up into Space. You look out of your rocket window, what do you see?

Write a short diary entry explaining your trip to space. Write in the first person.

Find a photograph of Neil Armstrong or Christopher Columbus. Can you draw in pencil your own portrait of just their face? Remember to think about positioning of their features and then shade it using pencil.
